PREAMBLE

THIS AGREEMENT entered into by the City of Camden, herein-after referred to as the "City", and Camden Council #10, New Jersey Civil Service Association, hereinafter referred to as "Co. 10", has as its purpose the promotion of harmonious relations between the City and Co. 10; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work and other conditions of employment.

ARTICLE I

RECOGNITION

THE CITY recognizes the Co. 10 as the bargaining agent for the purpose of establishing salaries, wages, hours and other conditions in the Certification of the Public Employment Relations Commission attached hereto and made a part hereof. It is agreed that upon the creation of any new titles by the City, such titles, if it is agreed that they conform to the certificate, shall be covered by this agreement. If there is disagreement, the dispute shall be settled by arbitration in the manner set forth herein. This recognition, however, shall not be interpreted as having the effect of, or in any way abrogating the rights of employees as established under Chapter 303, Laws of 1968. NJSA 34:13A-1 et seq.

Oct 27, 1971 - December 31, 1973

ARTICLE II

CHECK OFF

- Section 1 The City agrees to deduct Co. 10 monthly membership dues from the pay of those employees who individually request in writing that such deductions be made. The amounts to be deducted shall be certified to the City by the Treasurer of Co. 10 and the aggregate deductions of all employees shall be remitted quarterly to the Treasurer of Co. 10 together with a list of the names of all employees for whom the deductions were made by the 10th day of the succeeding month after such deductions are made.
- Section 2 Any written designation to terminate the deduction of Co. 10 dues must be received in writing by the City and Co. 10 and filing of notice of withdrawal shall be effective to halt deductions as of January 1, or July 1, next succeeding the date on which the notice of withdrawal is filed.
- Section 3 The City agrees to deduct an amount equal to Co. 10's initial membership fee from an employee's wages, upon proper notice by Co. 10 to the City, and remit it, forthwith to Co. 10.

ARTICLE III

SENIORITY

- Section 1 Wherever practicable seniority in title shall prevail in connection with vacation schedules, shift assignments, sectional assignments, or holidays.
- Section 2 In cases of equal seniority, preference will be given to qualified veterans before non-veterans.
- Section 3 Seniority for all purposes is defined as the accumulated length of continuous service with the City computed from the last date of hire. An employee's length of service shall not be reduced by time lost due to authorized leave of absence or absence for bona fide illness or injury certified by a physician not in excess of one (1) year.
- Section 4 The City shall maintain an accurate, up to date seniority roster showing each employee's date of hire, classification and pay rate and shall be made available to Co. 10 upon reasonable request. The employment records of the City of Camden shall be deemed compliance with this section.

ARTICLE IV

WORK SCHEDULES

Section 1 The regularly scheduled work week shall consist of five (5) consecutive days, Monday through Friday, inclusive, except for employees in continuous operations as set forth hereafter.

Section 2 The regular starting time of work shifts will not be changed without reasonable notice to the affected employees and without first having discussed such changes and the needs for same with representatives of Co. 10. This section shall not apply to call-ins or overtime, but shall not be utilized to deprive any employee of cash payment for overtime.

Section 3 Where the nature of the work involved requires continuous operations on a twenty-four hour per day, seven days per week basis, employees so assigned will have their schedules arranged in a manner which will assure, wherever practical, on a rotation basis, that all employees in a given title will have an equal share of Saturdays and Sundays off, distributed evenly throughout the year.

Section 4 Where more than one work shift per day within a given classification is in effect, employees within such classification will be given preference of shifts in accordance with their seniority, provided such employee is qualified to perform the job. Such preference will be exercised only when vacancies occur or when for other reasons changes in the number of employees per shift are being made. In no instance, where preferences are to be exercised will a senior employee be required to wait longer than one year after such contingency occurs.

- Section 5** Work schedules of employees on continuous operations shall be arranged so as to provide at least four (4) days off within a given pay period of fourteen (14) days (ten working days). This will not be violated if an employee's supervisor requires such person to work on his day off if an emergency arises.
- Section 6** Full time employment shall be a scheduling of 260 working days per year. Employees shall be paid for each day worked for and in the year earned.

ARTICLE V

OVERTIME

- Section 1** Overtime refers to any time worked beyond the regular hours of duty, as presently scheduled, and is granted only when the employee is ordered to work by a supervisor. Overtime worked will be paid at the rate of straight time, and must be granted in writing by the supervisor directing the same prior to the employee commencing work, or in case of an emergency, as soon thereafter as possible.
- Section 2** Overtime work will be distributed as equally as possible among employees with the same classification. A list of employees will be maintained showing overtime offered by the City to the employees in a given title. If overtime is worked the employee at the top of the list working the overtime will go to the bottom. Anyone offered overtime who is excused from such work shall have his name placed at the bottom of the list. Nothing in this article shall impair the right of the City to require an employee to work overtime and an employee shall not, without reasonable justification, be permitted to refuse to work overtime when requested.
- Section 3** Overtime shall be paid currently or at least no later than the second pay period after the overtime is performed.
- Section 4** No employee shall have his work schedule or regular day off schedule changed for the purpose of avoiding payment of overtime at any time. No work shifts will be changed without first having discussed such changes and the needs for same with Co. 10.

Section 5

The employer shall not reduce the work crew for the purposes of avoiding payment of overtime. This section shall not infringe upon the City's right to eliminate positions for economy reasons, subject to the rules of Civil Service.

ARTICLE VI

CALL IN TIME

Section 1

No employee shall be requested to return to work, after or before his regularly scheduled shift, for less than four (4) hours, for which he shall be paid at the rate of straight time. If the four hour period overlaps with his regularly scheduled shift, the employer will receive four hours pay in addition to his regular shift pay. It is understood that the City has the option of directing such employee to perform duties, other than those for which he was called, for the full four hour period.

ARTICLE VII

RATES OF PAY

Section 1

The minimum rate shall normally be the hiring rate for each classification. The City may make such an adjustment in the hiring rate as deemed necessary to properly and justifiably fill a position.

Section 2

Whenever a new salary range is put into effect, and a new minimum and maximum established, an employee shall have the same increment status in the new range as was held in the prior range.

After an employee has been in the City service for ten (10) or more years and his title is changed by open competitive or promotional examination, to a title having a higher salary range, such employee shall automatically be paid the maximum of the new range. If such an employee has nine (9) or eight (8) years in the City Service, he shall not wait more than one (1) or two (2) years, respectively, before reaching the maximum of the new range.

Section 3

Rates of compensation provided for in these regulations are fixed on the basis of full time service in full time positions. If any position is, by action of the City established on a basis of less than full time service, or if, with approval of the City, the incumbent of any full time position is accepted for employment on a part time basis only,

the rate of compensation provided for the position, (unless otherwise stated) shall be proportionately reduced in computing the rates of compensation payable for part time service.

Section 4

Nothing contained herein shall prevent the City from giving any employee covered by this agreement a raise, providing advance notice of such intention is given to Co. 10 a reasonable length of time prior to such action being taken.

Section 5

The salary ranges authorized under this agreement shall be interpreted as exclusive of any bonus payments or longevity pay as set forth herein.

Section 6

During the term of this Agreement the pay scales will not be reduced unless by mutual consent of both parties.
